# Earn The Opportunity to Enter India's Most Lucrative Market

## **NORTH INDIA'S ONLY EXHIBITION ON POULTRY, DAIRY & LIVESTOCK INDUSTRY**

Adamas Events Private Limited is a leading event organiser, producing and delivering innovative and market – leading event since 2013.

In more recent times AEPL grown in truly a successful event management company, with a portfolio of range of exhibitions in the different areas of industry such as Grain and Rice Industry, Education Industry , Agriculture Industry and now company is all set to launch their latest venture in Poultry, Dairy and Livestock Industry with the name of IPDL Expo.

IPDL is a one of a kind event for dairy, poultry and livestock industry to showcase the latest technology and innovations from India and abroad. It will provide excellent opportunities to improve business efficiencies and competitiveness

This event is a wide forum with valuable information about poultry, dairy & livestock industry. It will provide direct access to the major players and decision makers of the industry. These industries being the major contributor of country's economic development makes it an attractive investment opportunity. India is emerging as one of the largest producer of Dairy , poultry and Livestock with an increasing economic profile .These industry has transformed from a mere backyard activity to major commercial activity. Despite all these achievements, lack of advancement in technology, and inadequate devolvement are the major constraints in their systematic development. The focus of the event is to fuel the growth of the industries and related professionals.

**This Exhibition will take place at**

**Karnal, Haryana, India on 09<sup>th</sup> to 11<sup>th</sup> August 2019.**
